

Daring Men Need Only Apply

The 2009 Walnut Memorial Women's Conference is Saturday, September 12th from 8:30 am until 3:30 pm. We have been asked to help by providing childcare for the older kids. We will not have many kids to watch, but we could use as many men as possible to commit to coming for a couple of hours to help. If you are interested, please call or email me. My info is below. Please pray about this, I know God will bless your service.

SCRIPTURE FOCUS

This fall, make it a priority to read through the book of John each month. The spiritual truths taught by Jesus in the book of John are life changing. By reading it everyday, and the whole book several times over the course of the fall, His Word will become embedded in our hearts, and His lessons will always be with us. Pray on it, believe it and do it!

As Iron Sharpens Iron

Fall is my favorite time of the year. It's something about the crisp mornings, cool nights and the fall colors. Most of you know I'm a big football fan, so with fall comes the start of football season too. I'm always excited when school starts back, to see the joy my kids have when they learn new things. But what also comes with the fall season is the busyness that comes from school starting and the buildup to the holiday season. This fall, I hope each of us takes time out of our busy schedules to spend more time with God and with each other. However or wherever you do this is up to you, but I know God will bless you for your faithfulness to make Him the priority in your life.

While I was praying for guidance for His direction of Men on Point this fall, I was lead to one of the most basic principles of men's ministry. It's found in Proverbs 27:17— "As iron sharpens iron, so a man sharpens the countenance of his friend." This will be the focus this fall and beyond. We want to

provide an environment for men to build one another up in their relationship with Christ. Through this, we can be better men for our wives, families, church and work. With that said, we have many things going on for the men this fall at Walnut Memorial. The upcoming events are on the back of this letter. I hope each of you would pray to not only attend these events, but would pray that as you attend God will use you as a vessel to sharpen another man. It's only through the building up of each other that we will strengthen our men, our families, our church and our community. Enjoy the fall, it won't be long before we are shoveling snow!

Forever In Him,

A FEW GOOD MEN

If God has laid it on your heart to get involved with Men on Point Ministries, please let me know. We are always looking for Godly men who wish to serve the Lord and see life change happen in other men.

Upcoming Events

• Men's Fraternity - Winning at Work and at Home

September 21st at 6 pm, and every Monday after that, we will be starting another year of Men's Fraternity. It's a year long DVD series by Dr. Robert Lewis that focuses on being the man God created each of us to be. Each session is 45 minutes, which is followed by 30 minutes of small group discussion. Last year was a huge success, so please bless us with your fellowship this year!

• The Awakening Experience

There is just something manly about being in the woods with other men, getting real with ourselves and God. Getting away from all that distracts us, we will be heading to Camp Schafer on Oct 9th, 10th and 11th to experience a true awakening in our lives. It's an experience you will not want to miss! It's open to the first 9 men who signup. But don't worry, we will have this again throughout the year for all those who are interested. More information and signups to come in the near future. For the time being, pray about attending.

• Men's Breakfast Fellowship

Back by popular demand, we will have another time of food and fellowship September 19th. We will eat at 9 am, so bring your son or a friend as we will crack open God's Word, and a few eggs while we are at it. If you are interested in helping cook, please contact Dan Haire.
